

# DragonWear Elements® FR Sweatshirt

Bring on the wind, rain, or snow

## Description

Bring on the wind, rain, or snow. The Elements™ FR Dual Hazard Sweatshirt redefines what you can expect with a wind-resistant outer fabric surface, and a durable water-repellent finish to block wind and shed light rain and snow. Comfort, stretch and durability will make this garment your go-to sweatshirt.

## Features and Benefits

- Durable water repellent face fabric shields rain and snow
- Inner, lofted, wind resistant fleece retains body heat
- Addition of FR Spandex offers excellent stretch
- Includes 4-pen, zippered, chest pocket
- Made in the USA

## Applications

Workplace safety clothing, providing fire, wind, and rain protection
