

# Vision X CR-4 Fog Beam LED Driving Light

## CR-4 Fog Beam LED Light

### Description

The Cannon Race Series 4 LED (CR-4) delivers the highest performing street-legal fog light available. The CR-4 utilizes a truly unique lens that performs as well as it looks. With a super-crisp fog beam that reaches 450ft long and 300ft wide at 1 lux per pair, the CR-4 outperforms and outshines the competition both off and on the road.

Features a best-in-class Street-Legal Fog Beam that is pushed to the absolute limit of being SAE/DOT & ECE certified. Each pod is equipped with high-output 10W LEDs pumping out 2,800 Raw Lumens making the CR-4 capable of making any night-time on-road and off-road adventure feel like daylight.

The CR-4's virtually unbreakable powerful polycarbonate bezel resists cracking, fading, and corrosion, unlike traditional aluminum bezels. Ready for the most extreme environments the CR-4's are submersible and watertight with a IP68/69K housing that is capable of ready to withstand any adventure you can throw at it.

### Features and Benefits

- Max performance street legal fog beam
- High-output 10W LED's with 5,600 raw lumens per pair
- SAE/DOT & ECE approved
- Clear and selective yellow lens options
- Compact housing design
- Limited lifetime warranty

### Applications

Mining Light Vehicles (LV's), Service Vehicles, Automotive, Off-road, 4x4, 4WDs, UTVs, ATVs, ROVs, utility vehicles, forklifts, and all LED driving lights

### Tech Specs

Raw Lumens	4,200 lm
Wattage	80W
Amp Draw(@12V)	6.67A
Distance	450ft
Watts	80W
Input Voltage	9-32V DC
Beam Pattern	Flood Beam

Part No.	Description
9956190	CR-4, Clear, 2,800 rlm, 350ft, 40W, 3.33A, 3.54"x3.01"x3.74"
9956220	CR-4KIT, Clear, 4,200 rlm, 450ft, 80W, 6.66A, 3.54"x3.01"x3.74"
9957791	CR-4SY, Selective Yellow, 2,100 rlm, 350ft, 40W, 3.3A, 3.54"x3.01"x3.74"
9957784	CR-4SYKIT, Selective Yellow, 4,200 rlm, 450ft, 80W, 6.66A, 3.54"x3.01"x3.74"
