

Vision X Lighting

Rechargeable LED Inspection Light

Description

The Vision X Rechargeable LED Inspection Light is the ultimate workshop tool to put light where you need it most. The 36 powerful LEDs produce 2 brightness levels with 16 hours runtime at 500 effective lumens and 8 hours runtime at 1000 effective lumens while the top torch spotlight produces 100 effective lumens.

With fast USB-C charging via built-in charging port and compact docking station, charging is made even easier. This ensures the light is always charged ready for use. Featuring a sealed integrated switch, two heavy-duty magnets and a metal swivel hook for hands free operation.

Features and Benefits

- 3 Output Modes (Low, High, Torch)
- Up to 16 Hour Battery Life
- Versatile Mounting (Magnet, Hook, Handheld)
- Rechargeable Battery
- Dual Output Modes
- Durable Housing

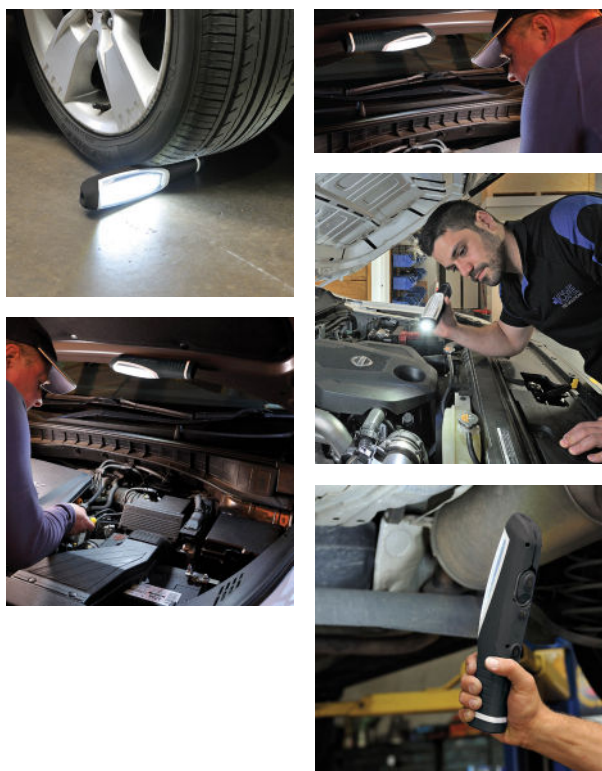

Applications

Accessory Lights, LED Flashlight, LED Flashlights, LED Work Lights

Tech Specs

Item #	XIL-WL2
Beam	Wide Flood
Battery Life	Up to 16 Hours
Mounting	Dual M6 Stud Mount
Raw Lumens	100 - 1000 eLumens
Modes	3-High, Low, Torch

Part No.	Description
9953847	LED Rechargeable Inspection Light

- ERGONOMIC GRIP**
Non-slip rubber gripping handle
- LARGE ON/OFF**
Easy access rubber switch
- HOOK MOUNT**
Concealed swivel design
- DURABLE HOUSING**
Shock & weather resistant (IP65 & IK07)
- COVERED CHARGING PORT**
USB-C 5.5 hr charge from empty
- HEAVY DUTY MAGNETS**
For hands free operation
- BATTERY INDICATOR**
LED glows red when charging and the battery gauge glows green to show charge level
- TOP TORCH**
100 Lumen top torch for precise lighting in small spaces.
