

# Golight Stryker ST Series (30214ST)

## A Remote-Controlled Light

### Description

The Stryker™ remote-controlled light by Golight is a 2-Speed LED searchlight with directional flexibility, which gives the operator a full 370° horizontal rotation and a 135° vertical tilt with fingertip control. The Stryker™ provides superior light penetration with the new LED/PVEX lens technology.

These spotlights come with wireless and hardwired remote control options to operate the light from a distance. They mount to work vehicles to provide a focused beam of light on a specific location. Their intense light beam travels further than a floodlight, highlights a defined work site task, or shows a boundary such as a fence line.

### Features and Benefits

- Wireless Remote Control Only
- Permanent or Portable Mounting Options
- Permanent: Stainless Steel Mounting Brackets
- 370° Rotation x 135° Tilt
- Halogen or LED
- New On-Command return to Home feature
- New ability to simultaneously Pan + Tilt
- New Wireless Remote Control Technology
- Smart Programming Logic, simple pairing without dip-switches
- Multiple users can operate lights in close proximity without interference
- Multiple Light Selector Function, allows for independent control of 2 lights with 1 remote
- New Fluorescent Remote Buttons
- UV Ray and Saltwater Resistant
- Weather Proof for Land and Sea Applications

### Applications

Work and service vehicles, 4WD and recreational vehicles, military vehicles, emergency services, marine vessels

### Tech Specs

Type	10 high-flux LEDs
Beam	8° beam angle
Peak Beam Intensity	544,000 Candela
Max Beam Distance	4,839 ft (1,475 m) max beam distance
Current Draw	3.7 Amps at 13.8V
Voltage	12 V DC
Item Dimensions LxWxH	7.5x7.25x7 inches
Color	Black
Fasteners	Stainless Steel
Housing	ASA Luran heat resistant, High impact, UV resistant material
Mount	Permanent mount or portable magnetic base
Warranty	5 year limited warranty

Part No.	Description
30214ST	Golight 30214ST Stryker ST LED 12 Volt, Black, Permanent Hard Wired Dash Mount Remote, 20 Ft Wiring Harness
